Case No. 3:21-md-02996-CRB (SK)

~~PROPOSED~~ ORDER GRANTING  
PRELIMINARY APPROVAL OF THIRD  
PARTY PAYOR CLASS ACTION  
SETTLEMENT AND DIRECTION OF  
NOTICE UNDER FEDERAL RULE OF  
CIVIL PROCEDURE 23(e)

Judge: The Honorable Charles R. Breyer

1 Before the Court is Third Party Payor Plaintiffs’ Unopposed Motion for Preliminary  
2 Approval of Class Action Settlement.

3 WHEREAS, a proposed Class Action Settlement Agreement (the “Settlement”) has been  
4 reached between Plaintiffs’ Settlement Class Counsel for Third Party Payors (TPPs), on behalf of  
5 a proposed Settlement Class of TPPs, and Defendants,<sup>1</sup> that resolves certain claims against  
6 Defendants pertaining to McKinsey’s consulting to clients regarding opioids and contribution to  
7 the opioid epidemic;

8 WHEREAS, the Court, for purposes of this Order, adopts all defined terms as set forth in  
9 the TPP Settlement;

10 WHEREAS, this matter has come before the Court pursuant to TPP Plaintiffs’ Unopposed  
11 Motion for Preliminary Approval of Class Action Settlement (the “Motion”);

12 WHEREAS, Defendants do not oppose the Court’s entry of the proposed Preliminary  
13 Approval Order;

14 WHEREAS, the Court finds it has jurisdiction over the Action and each of the parties for  
15 purposes of Settlement and asserts jurisdiction over the Settlement Class Representatives for  
16 purposes of considering and effectuating this Settlement;

17 WHEREAS, this Court has presided over and managed these MDL proceedings since the  
18 JPML centralized the actions before this Court, *In re McKinsey & Co., Inc., Nat’l Prescription*  
19 *Opiate Consultant Litig.*, 543 F. Supp. 3d 1377 (J.P.M.L. 2021); and

20 WHEREAS, this Court has considered all of the presentations and submissions related to  
21 the Motion, as well as the facts, contentions, claims, and defenses as they have developed in these  
22 proceedings, and is otherwise fully advised of all relevant facts in connection therewith;

23 NOW, THEREFORE, IT IS HEREBY ORDERED:

24 **I. Preliminary Approval of Class Action Settlement**

25 1. The proposed Settlement appears to be the product of intensive, thorough, serious,  
26 informed, and non-collusive negotiations; has no obvious deficiencies; does not improperly grant

27 \_\_\_\_\_  
28 <sup>1</sup> McKinsey & Company, Inc., McKinsey Holdings, Inc., McKinsey & Company, Inc. United States, and McKinsey & Company, Inc. Washington D.C. (collectively, “McKinsey”).

1 preferential treatment to the Settlement Class Representatives or segments of the Class; and  
2 appears to be fair, reasonable, and adequate, such that notice of the Settlement should be directed  
3 to Class members and a Final Approval Hearing should be set.

4 2. Accordingly, the Motion is GRANTED.

5 **II. Class Definition, Class Representatives, and Class Counsel**

6 3. “Class” or “Settlement Class” includes

7 All entities that paid and/or reimbursed for (a) opioid prescription  
8 drugs manufactured, marketed, sold, or distributed by the Opioid  
9 Marketing Enterprise Members (Purdue, Johnson & Johnson,  
10 Janssen, Cephalon, Endo, and Mallinckrodt), for purposes other  
11 than resale, and/or (b) paid or incurred costs for treatment related  
12 to the misuse, addiction, and/or overdose of opioid drugs, on  
13 behalf of individual beneficiaries, insureds, and/or members,  
14 during the period June 1, 2009 to October 31, 2023. For clarity,  
15 included in the class are: (a) private contractors of Federal Health  
16 Employee Benefits plans, (b) plans for self-insured local  
17 governmental entities that have not settled claims in MDL 2804,  
18 (c) managed Medicaid plans, (d) plans operating under Medicare  
19 Part C and/or D, and (e) Taft Hartley plans.

20 Excluded from the class are (a) all federal and state governmental  
21 entities, (b) all tribal entities, (c) local governmental entities and  
22 school districts, (d) Pharmacy Benefit Managers (PBMs), (e)  
23 consumers, and (f) fully-insured plans. For the avoidance of  
24 doubt, entities that are otherwise members of the class are not  
25 excluded on the basis that they own an interest, including a  
26 controlling interest, in a PBM.

27 4. Paul J. Geller, Elizabeth J. Cabraser, and James R. Dugan, II, are hereby appointed  
28 as Interim Settlement Class Counsel under Rule 23(g)(3) (“Interim Class Counsel”). Interim  
Class Counsel and Defendants are authorized to take, without further Court approval, all  
necessary and appropriate steps to implement the Settlement, including the approved notice  
program.

5. The following TPP Plaintiffs are appointed as Class Representatives: District  
Council 37 Benefits Fund Trust; Cleveland Bakers and Teamsters Health & Welfare Fund;  
BCTGM Atlantic Health & Welfare Fund; International Union of Operating Engineers Stationary

1 Engineers Local 39 Health & Welfare Trust Fund; and Teamsters Local 404 Health Services and  
 2 Insurance Plan.

3 **III. Preliminary Findings**

4 6. The Court is familiar with the standards applicable to certification of a settlement  
 5 class. *See, e.g., In re Hyundai & Kia Fuel Econ. Litig.*, 926 F.3d 539, 556-67 (9th Cir. 2019)  
 6 (detailing the standard for certifying a settlement class); *see also In re Volkswagen “Clean*  
 7 *Diesel” Mktg., Sales Pracs., & Prod. Liab. Litig.*, 15-md-02672-CRB (JSC), ECF No. 6764 (N.D.  
 8 Cal. Oct. 4, 2019) (Am. Order Granting Preliminary Approval of Class Settlement & Direction of  
 9 Notice Under Rule 23(e) (Audi CO<sub>2</sub> Cases)).

10 7. Applying these standards, the Court finds it will likely be able to approve, under  
 11 Rule 23(e)(2), the proposed Settlement Class as defined above because the Class and its  
 12 representatives likely meet all relevant requirements of Rules 23(a) and (b)(2).

13 **IV. Notice to Class Members**

14 8. The Court is also familiar with evolving methods of class notice. As applied here,  
 15 the Court finds the content, format, and method of disseminating Notice—set forth in the Motion  
 16 for Preliminary Approval (ECF No. 645), the Declaration of Paul J. Geller in support of the  
 17 Motion (ECF No. 645-1) and the exhibits attached thereto, and the Supplemental Declaration of  
 18 Paul J. Geller in support of the Motion and the exhibits attached thereto—satisfy Rule 23(c)(2)  
 19 and contemporary notice standards. The Court approves the notice program and directs that  
 20 notice substantially in the form of the revised Proposed Notice be disseminated in the manner set  
 21 forth in the proposed Settlement, the Declaration and Supplemental Declaration of Paul J. Geller,  
 22 and the Declaration of Eric J. Miller to Class Members under Rule 23(e)(1).

23 **V. Schedule for Disseminating Notice, Filing Objections to the Settlement, Requesting**  
 24 **Exclusion from the Class, and Filing Motion for Final Approval and for Attorneys’**  
 25 **Fees and Expenses**

2 reasonable procedures in connection with approval and administration of the Settlement not  
3 materially inconsistent with the Preliminary Approval Order or the Class Action Settlement,  
4 including making, without further approval of the Court, minor changes to the Settlement, the  
5 form or content of the Class Notice, or any other exhibits the Settling Parties jointly agree are  
6 reasonable or necessary.

7 12. The Court authorizes the Notice and Claims Administrator, A.B. Data, through  
8 data aggregators or otherwise, to request, obtain, and use Class members’ information for notice  
9 purposes.

10 13. The Court shall maintain continuing jurisdiction over these proceedings for the  
11 benefit of the Class as defined in this Order.
